# Downloading Planeteers

1. After entering your secret code the download will appear.  
Click to download the version you need.

2. After downloading the zip file, put it in the root folder of your computer drive, for example:

- Local Disk (C:\) for Windows.
- Or in /apps for Mac.

# Installing for Mac OSX

1. After downloading the game, extract the contents of the zip folder.

2. Wait for the folder to finish extracting.

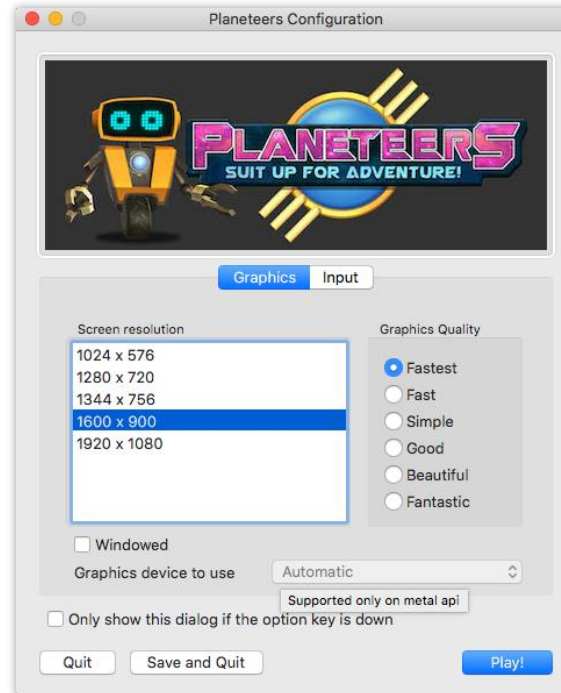

## Installing for Mac OSX

3. Run the .app file to start the game.

4. We recommend choosing the game configuration below for optimum performance. Click Play! to launch game.

## Game Home Screen

4. You should see the Home Screen, click the “Register” button to go the License Verification Panel.

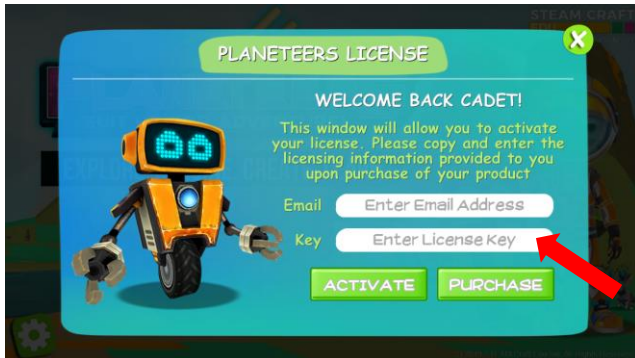

# Game Home Screen

8. Enter the Email you registered here:

9. Enter the License Key received in you email here:

10. Click “ACTIVATE” button once you have entered your Email and License Key to start playing the game!

## NOTE:

- When you successfully registered your email and able to download the game, the License Key will be sent immediately to your Email.
